# A warm welcome to Layden Court Care Home

What makes the resident experience at Layden Court so special?  
We believe it's our real sense of 'family' that has kindness,  
friendliness and respect right at its heart.

Residents come to us for general residential or nursing care and specialised support for those living with dementia. In every case we're here to provide all the care their own family could wish for. You'll find us just outside Maltby village within easy reach of local shops and other amenities including excellent transport links, with Meadowhall shopping centre only seven miles away.

All areas of our home are fresh and cheerful with a choice of lively or quiet communal spaces where residents can relax with each other or welcome family and friends.

## Every day, we work to make our service even better.

Thanks to our pioneering digital technology, everyone is encouraged to record their suggestions for the kind of care they want using our very simple iPad system. Residents, families and visiting professionals such as GPs and social workers are all invited to offer their ideas to help us keep on raising our standards.

Each day people are telling us what they like, or what they feel we could do better.

All comments are received directly by our Home Manager who will take any necessary actions immediately. Rest assured, no care home provider is working harder to make every individual resident's experience special.

**Nobody listens  
to residents' views  
quite as closely as  
we do.**

---

**Qualified  
staff ensure the  
highest standards  
at all times.**

**We recruit  
our team  
on their  
values**

## **Professional, practical and personal**

**Our team is made up of qualified naturally caring people who continue to build their skills with on-going training.**

As well as providing excellent professional care, our entire team is dedicated to fostering a sense of home and of belonging. That means taking plenty of time to understand individual residents, their likes and dislikes, and

exploring all the ways we can make them happy and comfortable. It's all about giving our residents and their loved ones the confidence that we're providing the very best of care, and delivering special resident experiences every day.

## Stimulation for body and mind

Our dedicated Activities Leader gently encourages residents to carry on doing the things they enjoy.

Another aspect of helping our residents to feel at home is for them to do familiar things. If they had a hobby or pastime they did before they arrived, we'll encourage them to continue it with us. Or perhaps they may like to learn something new.

The important thing is that we treat every resident as an individual. If they enjoy sharing time with others, either in our home or on an organised trip out, they're most welcome. Or, if they prefer quiet time alone, we'll respect that too.

Taking care to know you, so everyone feels at home

**Mealtimes are  
a highlight of  
our day**

**There's nothing quite  
like traditional home  
cooking to give  
everyone a lift.**

We always ask residents and their families about their food preferences and dietary requirements. Our chef and catering team then work with dieticians to create meals that are nutritious and tasty, using fresh seasonal ingredients. To add more variety, we also make a point of celebrating with special meals and events throughout the year.

Residents can eat in our pleasant dining rooms or, if they prefer, we're pleased to serve them their meal in the privacy of their own rooms.
