Lawn Park Care Home, Sutton in Ashfield

A home that feels *just right*

Our home overlooks the local park next to the lake, in Sutton-in-Ashfield. We are close to local shops, with easy access of the M1, making us easily accessible for visitors to pop-in for a chat.

Our team offers residential care for those who need help with daily tasks, nursing care for people who have complex medical needs, and respite care for those who would like a change of scenery, or for carers to take a short break.

Our chef and catering team work to create meals that are both nutritious and tasty, using fresh seasonal ingredients. For extra variety, we also celebrate a range of occasions throughout the year with special meals and events.

“ I would have no hesitation in letting my friends know to send their relatives here. ”

Our residents particularly like...

- Pet therapy and regular visit from Kim the greyhound
- Relaxing in our garden, conservatory or patio areas
- Being able to add personal touches to their rooms
- Home baking each day
- Our in-house hairdresser
- Our long serving team
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
