

Layden Court Care Home, Maltby

A home that feels *just right*

Our home has a warm and friendly atmosphere, close to the centre of Maltby village. We are within easy reach of the M18 and public transport, making us easily accessible for visitors to pop-in for a chat.

Our team offers residential care for those who need help with daily tasks, nursing care for people who have complex medical needs, and care for people living with dementia. We also provide specialist care for those with mental health conditions or learning disabilities as well as respite care and intermediate care.

Our chef and catering team work to create meals that are both nutritious and tasty, using fresh seasonal ingredients. For extra variety, we also celebrate a range of occasions throughout the year with special meals and events.

“Dad has been treated with respect and kindness during his stay.”

Our residents particularly like...

- Our regular coffee mornings and trips to the pub
- Relaxing in the beautiful garden
- Being able to add personal touches to their rooms
- Home baking each day
- Our in-house hairdresser
- Socialising in the range of communal spaces
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
