

# Tall Oaks Care Home, Stoke-on-Trent

## A home that feels *just right*

**Our home is situated in the garden town of Biddulph. It is located a short drive from Stoke-on-Trent. We are also close to transport links making us easy to visit.**

Our team offers residential care for those who need assistance with daily tasks, nursing care for people who have complex medical needs, and both residential and nursing dementia care. We also offer respite care for those who would like a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are both nutritious and tasty, using fresh seasonal ingredients. We also offer a range of activities for residents within the home and celebrate a variety of occasions throughout the year.

*“ For me, the whole team at Tall Oaks operate a very professionally run care home. ”*

### Our residents particularly like...

- Refreshments always available
- Being able to add personal touches to their rooms
- The range of sociable or quiet communal spaces
- Shared activities with the local community
- Being pampered by our hairdresser
- There is always someone to chat to

## Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
