

# The Cedars and Larches Care Home, Ilkeston

## A home that feels *just right*

**Our home is conveniently situated in Ilkeston. We are in easy reach of shops, close to the train station and nearby the M1, making us easily accessible for visitors to pop-in for a chat.**

Our team offers residential care for people who need help with daily tasks, nursing care for those who have complex medical needs, intermediate care and specialist care for those with learning disabilities. We also provide respite care for those who would like a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are both nutritious and tasty, using fresh seasonal ingredients. For extra variety, we also celebrate a range of occasions throughout the year with special meals and events.

*“ I find that the staff are very caring and work hard. ”*

### Our residents particularly like...

- Getting involved with the community
- Our busy activities programme
- Pet therapy sessions with furry friends
- Relaxing in our lovely garden
- Our on-site hairdresser
- Socialising in the range of communal spaces
- There is always someone to chat to

## Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
