The Sycamore and Poplars Care Home, Mansfield

A home that feels *just right*

Our home is in a tranquil setting on the outskirts of Mansfield town centre. We are close to shops and public transport, making us easily accessible for visitors to pop in.

Our team offers residential care for people who need help with daily tasks, nursing care for those who have complex medical needs and dementia care. We also provide respite care, intermediate care and specialist care for those with learning disabilities and mental health conditions.

Our chef and catering team work to create meals that are both nutritious and tasty, using fresh seasonal ingredients. We also offer a range of activities for residents within the home and celebrate a variety of occasions throughout the year.

“ All thanks to the home manager and all the staff for their wonderful support and care. ”

Our residents particularly like...

- ~ There is always someone to chat to
- ~ Refreshments always available
- ~ Regular pet therapy sessions
- ~ Being able to add personal touches to their rooms
- ~ The range of communal spaces
- ~ Relaxing in the beautiful garden
- ~ Our busy activities programme

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
