

Tudor Grange Care Home, Radcliffe-on-Trent

A home that feels *just right*

Our home has a charming and friendly atmosphere situated in Radcliffe-on-Trent. Being a short drive from Nottingham, close to public transport and the A52, the home is easily accessible.

Our team offers residential care for those who need support with daily tasks, and respite care for those who would like a change of scenery and good company, or for carers to take a short break. We also offer palliative and day care.

Our chef and catering team work to create meals that are both nutritious and tasty, using fresh seasonal ingredients. We also offer a range of activities for residents within the home and celebrate a variety of occasions throughout the year.

“ My dad has been so looked after and he will probably miss all of the care and attention he had. ”

Our residents particularly like...

- There is always someone to chat to
- The beautiful views looking out onto the nature reserve
- Sharing activities with local home Windsor House
- Our in-house hairdresser
- Being able to add personal touches to their rooms
- Refreshments always available
- Relaxing or socialising with good company

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
