

**Four Seasons**  
HEALTH CARE

# Woodview Care Home, Lincoln

## A home that feels *just right*

**Our home is situated in the quiet town of Branston. We are close to the shops, and on a main bus route making us easily accessible for visitors to see their loved ones.**

Our team offers residential care for those who need help with daily tasks, nursing care for people who have complex medical needs, and respite care for those who would like a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are both nutritious and tasty, using fresh seasonal ingredients. We also offer a range of activities for residents within the home and celebrate a variety of occasions throughout the year.

*“ The staff are helpful and I just enjoy being here. ”*

### **Our residents particularly like...**

- Regular activities with other residents
- The range of sociable or quiet communal spaces
- Refreshments always available
- Being able to add personal touches to their rooms
- Relaxing in our beautiful garden
- Being pampered by our hairdresser
- There is always someone to chat to

## Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
