Alexandra Care Home, Newton-le-Willows

A home that feels *just right*

Our home is situated in the lovely historic market town, Earlestown. We are close to a variety of shops and have regular bus routes, making us easily accessible for visitors to pop-in for a chat. We also have excellent links with two local hospitals.

Our team provides all types of care, including residential care for people who need help with daily tasks and nursing care for those with more complex medical needs. We also provide respite care for those who would like a change of scenery, or for carers to take a short break.

Our chef and catering team work to create meals that are both nutritious and tasty, using fresh seasonal ingredients. For extra variety, we also celebrate a range of occasions throughout the year with special meals and events.

“ The place is warm, friendly and homely and has a lovely welcoming atmosphere. ”

Our residents particularly like...

- Relaxing in our beautiful garden
- Being able to add personal touches to their rooms
- Snacks and fresh fruit always available
- Our in-house hairdresser
- Home baking each day
- Visiting Earlestown's popular Friday market
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
