

**Four Seasons**  
HEALTH CARE

# Ashcroft Care Home, Chesterfield

## A home that feels *just right*

**Our home is situated in a suburb of Chesterfield, right on the edge of the Peak District. We are a short drive from the town centre, Chesterfield Royal Hospital and close to public transport, making us easily accessible for visitors to pop-in for a chat.**

Our team provides residential care for people who need help with daily tasks and residential and nursing care for people living with dementia. We also provide respite care for those who would like a change of scenery, as well as palliative care and specialist support for people with mental health conditions.

Our chef and catering team work to create meals that are both nutritious and tasty, using fresh seasonal ingredients. We also offer a range of activities for residents within the home and celebrate a variety of occasions throughout the year.

*“ The staff at Ashcroft nursed him with compassion, patience and encouragement whilst at all times preserving his dignity. ”*

### **Our residents particularly like...**

- Our homely and friendly atmosphere
- Being able to add personal touches to their rooms
- A variety of activities to enjoy
- Home baking each day
- Refreshments always available
- Relaxing or socialising in the range of communal spaces
- There is always someone to chat to

## Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
