HEALTH CARE

# Bebington Care Home, Wirral

## A home that feels *just right*

**Our home is conveniently situated in the heart of the borough. We are on the direct bus route to Liverpool city centre, and close by to public transport, making us easily accessible for visitors to pop-in for a chat.**

Our team provides nursing care for people with complex medical needs, dementia care, and intermediate care for older people to benefit from rest and rehabilitation in a caring, safe and reassuring environment. We also provide specialist care for those who have learning disabilities and mental health conditions.

Our chef and catering team work to create meals that are both nutritious and tasty, using fresh seasonal ingredients. For extra variety, we also celebrate a range of occasions throughout the year with special meals and events.

*“ The staff are always there to take care of his needs, and treat him with patience and respect. ”*

### **Our residents particularly like...**

- Our busy activities programme and day trips out
- Socialising with the community
- Relaxing in the range of communal spaces
- Refreshments always available
- The beautiful garden
- Being able to add personal touches to their rooms
- There is always someone to chat to

## Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
