HEALTH CARE

Charnwood Care Home, Carlton

A home that feels *just right*

Our home is situated in a pleasant area in Nottingham. We are just a short walk away from the town centre and train station, making us easily accessible for visitors to pop in for a chat.

Our team offers residential care for people who need help with daily tasks, nursing care for those who have complex medical needs, and dementia care. We also provide respite care, and specialist care for people with mental health conditions.

Our chef and catering team work to create meals that are both nutritious and tasty, using fresh seasonal ingredients. For extra variety, we also celebrate a range of occasions throughout the year with special meals and events.

“ I will remain ever grateful for their support at what was a difficult and painful time for my mother. ”

Our residents particularly like...

- Our two resident pet budgies
- Our range of fun activities
- Our lovely garden
- Relaxing or socialising in the range of communal spaces
- Our on-site hairdresser
- Being able to add personal touches to their rooms
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
