Haddon House Care Home, Ilkeston

A home that feels *just right*

Our home is situated in the heart of Ilkeston. We are nearby to the local park, shops and close to good transport links, making us easily accessible for visitors to pop-in for a chat.

Our team offers 24-hour high-quality nursing care for people living with dementia.

Our chef and catering team work to create meals that are both nutritious and tasty, using fresh seasonal ingredients. For extra variety, we also celebrate a range of occasions throughout the year with special meals and events.

“ Always go out of their way to give all the residents the love, care and respect they deserve. ”

Our residents particularly like...

- ~ Relaxing in our beautiful garden or tending to our vegetable patch
- ~ Socialising in the outside BBQ area
- ~ Our in-house hairdresser
- ~ Being able to add personal touches to their rooms
- ~ Refreshments always available
- ~ The range of communal spaces
- ~ There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
