

Regents View Care Home, Hetton-le-Hole

A home that feels *just right*

Our home is surrounded by beautiful, well-maintained gardens, in a quiet, residential suburb of Hetton-le-Hole. We are close to the high street and excellent transport links, making us easily accessible for visitors to pop-in for a chat.

Our team offers both residential and nursing care for people living with dementia, as well as specialist care for those with mental health conditions. We also provide respite care for those who would like a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh, seasonal ingredients. For extra variety, we also celebrate a range of occasions throughout the year with special meals and events.

“ The staff treat her like she was their own family and were very caring and welcoming to us, her family. ”

Our residents particularly like...

- Fresh, home baking every day
- Snacks and fresh fruit always available
- Being pampered by our in-house hairdresser
- Relaxing and socialising in our lovely garden
- Our busy activities programme
- Being able to add personal touches to their rooms
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
