Southfield Court Care Home, Huddersfield

A home that feels *just right*

Our warm, welcoming home is situated in a pleasant area, surrounded by trees in the historic village of Almondbury. We are close to local shops and public transport, making us easily accessible for visitors to pop-in for a chat.

Our team offers 24-hour nursing care for those with more complex medical needs, and care for those living with dementia. We also provide respite care for those who would benefit from a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. We also offer a range of activities for residents within the home, and celebrate a variety of special occasions throughout the year.

“ I trust the home to care for my mother, I feel well supported by the Southfield Court. ”

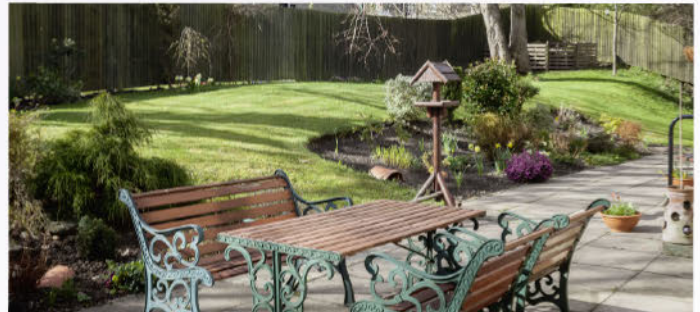

Our residents particularly like...

- Relaxing in our lovely garden
- Our busy activities programme
- Fresh, home baking every day
- Being pampered in our hair salon
- Snacks and fresh fruit always available
- Being able to add personal touches to their rooms
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
