HEALTH CARE

# Euxton Park Care Home, Chorley

## A home that feels *just right*

**Our home is situated in a quiet area, with expansive grounds and beautiful views of the countryside. We are close to the town centre and transport links, so residents find it easy to pop-in any time.**

Our team offers residential care to those who need help with daily tasks, and nursing care for people with more complex medical needs. We also provide respite care for those who would like a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh, seasonal ingredients. For extra variety, we celebrate a range of occasions throughout the year with special meals, events and activities so residents are never without something to do.

*“ I want the best for Mum and that is definitely what she is getting. ”*

### **Our residents particularly like...**

- Chatting with loved ones in our beautiful gardens
- Fresh, home baking every day
- Visits from members of our local community
- Being pampered by our on-site hairdresser
- Snacks and fresh fruit always available
- Being able to add personal touches to their rooms
- There is always someone to chat to

## Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
