HEALTH CARE

Springfield Care Home, Blackburn

A home that feels *just right*

Our home is set in beautiful landscaped gardens in a pleasant area in Blackburn. We are close to local shops and transport, making us easily accessible for visitors to pop by.

Our team offers residential care for people who need assistance with daily tasks, nursing care to those who have complex medical needs and people living with dementia. We also provide respite care and intermediate care.

Our chef and catering team work to create meals that are both nutritious and tasty, using fresh seasonal ingredients. We also offer a range of activities for residents within the home and celebrate a variety of occasions throughout the year.

“ The staff are wonderful and really helpful and my husband seems happy. ”

Our residents particularly like...

- Our homely and friendly atmosphere
- Being able to add personal touches to their rooms
- Relaxing in our peaceful garden
- Refreshments always available
- Our in-house hairdresser
- Free Wi-Fi throughout the home
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
