Domnall Intermediate Care Centre, Belfast

A home that feels *just right*

Our home is situated in a pleasant, residential area, surrounded by lovely, well-maintained gardens in Belfast. We are close to the town centre, and public transport links, so visitors find it easy to pop in at any time.

Our dedicated care team provides intermediate care as an alternative to a hospital stay. We focus on helping residents regain their confidence and independence using a range of therapies, so they are fully prepared to return home when the time comes.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. In addition, we also celebrate a range of occasions throughout the year, with special meals and activities.

“ I was treated at all times with respect, courtesy and total professionalism from all the staff. ”

Our residents particularly like...

- ~ Our in-house hair salon
- ~ Shared activities with other residents
- ~ Relaxing in our beautiful garden
- ~ Fresh, home baking
- ~ Refreshments always available
- ~ Being able to add personal touches to their rooms
- ~ There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
