HEALTH CARE

# Astell Care Centre Care Home, Newcastle upon Tyne

## A home that feels *just right*

Our care home is surrounded by beautiful, spacious gardens, in a quiet residential suburb of Newcastle upon Tyne. We are within easy reach of local shops, amenities and public transport links, so visitors find it easy to pop-in any time.

Our team offers residential care for those who need help with daily tasks, nursing care for people with more complex medical needs, and care for those living with dementia. We also provide respite care for those who would benefit from a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are both nutritious and tasty, using fresh seasonal ingredients. In addition, we also celebrate a range of occasions throughout the year, with special meals, events and activities.

*“ I could not be more impressed with all the staff looking after her. ”*

### Our residents particularly like...

- Exploring our lovely gardens
- Fresh, home baking
- Being pampered by our in-house hairdresser
- Refreshments always available
- Being able to personalise their own rooms
- Enjoying the exciting activities with other residents
- There is always someone to chat to

## Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
