Galgorm Care Home, Ballymena

A home that feels *just right*

Our warm, welcoming home is a beautifully renovated, Georgian-style building in the centre of Ballymena. We are close to local shops and public transport links, so visitors find it easy to stop by, at any time.

Our dedicated team offers nursing care for those with complex medical needs, respite care to give family and friends a well-earned break, and support for those with a life-limiting illness.

Our chef and catering team work to create meals that are nutritious and delicious using fresh, seasonal ingredients. For extra variety we also celebrate a range of occasions throughout the year, with special meals, events and activities.

“ She is content and happy and that is all that matters. ”

Our residents particularly like...

- Exploring our sensory courtyard
- Being pampered in our hair salon
- Home baking each day
- Snacks and fresh fruit always available
- Our busy activities programme
- Being able to add personal touches to their rooms
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
