HEALTH CARE

Greenville Manor Care Centre, Belfast

A home that feels *just right*

Our home is situated in a pleasant area, overlooking a beautiful park, in the South of Belfast. We are close to local shops and public transport, making us easily accessible for visitors to stop by any time.

Our dedicated team offers nursing care for people living with dementia, as well as specialist care and support for those with mental health conditions.

Our chef and catering team work to create meals that are both nutritious and tasty, using fresh, seasonal ingredients. We also celebrate a variety of occasions throughout the year, with special meals and events, so our residents always have something to look forward to.

“ The care workers treated him with the dignity he deserved in every aspect of his life. ”

Our residents particularly like...

- ~ Relaxing in our beautiful garden
- ~ Home baking each day
- ~ Snacks and fresh fruit always available
- ~ Movies in our own cinema room
- ~ Our on-site hair salon
- ~ Being able to add personal touches to their rooms
- ~ There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
