HEALTH CARE

# Hollywood Care Home, Belfast

A home that feels *just right*

**Our home is set in extensive grounds and overlooking the lovely Redburn Country Park, near the East Coast of Northern Ireland. We are close to excellent transport links, making us easily accessible for visitors to pop-by any time.**

Our dedicated team provides nursing care for people with more complex medical needs, and for those living with dementia. We also provide respite care to give loved ones a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh, seasonal ingredients. For extra variety, we enjoy a range of activities and events throughout the year, so our residents are never without something to do.

*“The staff are so very caring and helpful to Dad and to our family.”*

## **Our residents particularly like...**

- ~ Being pampered in our hair salon
- ~ Home baking each day
- ~ Snacks and fresh fruit always available
- ~ Relaxing in our beautiful garden
- ~ Being able to add personal touches to their rooms
- ~ Free Wi-Fi throughout the home
- ~ There is always someone to chat to

## Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
