Parkview Care Home, Belfast

A home that feels *just right*

Our home is situated in a peaceful area, surrounded by beautiful, mature parks and just a short drive from Belfast centre. We are close to transport links, so visitors find it easy to stop by any time.

Our dedicated team offers 24-hour nursing care for people who have more complex medical needs, and for those living with dementia. We also provide respite care for those who would like a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh, seasonal ingredients. For extra variety, we enjoy a range of activities and events throughout the year, so our residents are never without something to do.

“ It was a hard experience as a son to have to put your father in a home but again, the guidance and help from the staff made this much easier. ”

Our residents particularly like...

- Exploring our beautiful, mature gardens
- Home baking every day
- Snacks and fresh fruit always available
- Being able to personalise their own rooms
- Shared activities with other residents
- Our in-house hairdresser
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
