HEALTH CARE

Strathearn Care Home, Belfast

A home that feels *just right*

Our home is situated in a pleasant, residential area surrounded by beautiful, mature trees. We are close to local shops and public transport, so visitors find it easy to stop by any time.

Our dedicated team offers 24-hour nursing care for those who have more complex medical needs. We also provide respite care to those who would benefit from a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh, seasonal ingredients. For extra variety, we enjoy a range of activities and events throughout the year, so our residents are never without something to do.

“ Staff are very attentive and helpful. ”

Our residents particularly like...

- Being pampered by our hairdresser
- Home baking each day
- Relaxing in our beautiful garden
- Snacks and fresh fruit always available
- Being able to add personal touches to their rooms
- Shared activities with the other residents
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
