HEALTH CARE

Tennent Street Care Centre, Belfast

A home that feels *just right*

Our home is situated in a bustling area, surrounded by well-maintained grounds in the heart of Belfast. We are close to local shops and public transport, so visitors find it easy to pop-in any time.

Our dedicated team offers residential care for those who need help with daily tasks, nursing care for people with more complex medical needs and for those living with dementia. We also provide respite care for those who would like a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh, seasonal produce. For extra variety, we also celebrate a range of occasions throughout the year with special meals, events and activities.

*“ I love living here, Tennent Street
is my home ”*

Our residents particularly like...

- Home baking each day
- Snacks and fresh fruit always available
- Regular visits from our hairdresser
- Relaxing in our beautiful garden
- Shared activities with the other residents
- Being able to add personal touches to their rooms
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
