Abbeylands Care Home, Whiteabbey

A home that feels *just right*

Our care home is beautifully situated near the shore of Belfast Lough, and a short drive from picturesque Carrickfergus. We are close to the town's shopping centre, rail links and local bus routes, making us easily accessible for visitors.

Our team provides residential care for people who need a little help with daily tasks, along with nursing care for those with more complex medical needs. We also provide respite care for those who would like a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. We also enjoy a selection of activities, and celebrate various events throughout the year.

“ Staff were attentive and understanding. ”

Our residents particularly like...

- Our in-house hair salon
- Shared activities with other residents
- Being able to add personal touches to their rooms
- The beautiful views of the shore
- Relaxing in our lovely garden
- Snacks and fresh fruit always available
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
