Arches Care Home, Belfast

A home that feels *just right*

Our home is situated in a charming, residential area on the outskirts of Belfast. We are conveniently located near the city centre and excellent transport links, so visitors find it easy to pop in anytime.

Our dedicated team provides care exclusively for those with learning disabilities. This includes nursing care for people with more complex medical needs, and respite care to give loved ones a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are both nutritious and tasty, using fresh, seasonal ingredients. We also celebrate a variety of different events throughout the year, with special meals and activities, so residents always have something to look forward to.

“ The welfare and care of the residents is of prime importance to every member of the staff. ”

Our residents particularly like...

- Being pampered in our own hair and nail salon
- Going on regular, exciting holidays with other residents
- Relaxing in our lovely garden
- Movies in our own cinema room
- Refreshments always available
- Socialising with friends in our on-site bar
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
