

Ardlough Care Home, Londonderry

A home that feels *just right*

Our care home is situated in beautiful, wooded grounds in the charming village of Drumahoe. We are just a short drive from Londonderry city centre, and close to local shops and public transport, so visitors find it easy to stop by anytime.

Our dedicated care team provides 24 hour nursing care for those with dementia, and specialist care and support for those with mental health needs.

Our in-house chef and catering team work to create meals that are nutritious and delicious, using fresh, seasonal ingredients.

Throughout the year we celebrate a range of occasions, with special meals and activities, so our residents always have something to look forward to.

“ Ardlough has excellent facilities with great staff and amazing care. ”

Our residents particularly like...

- ~ Relaxing and socialising in our lovely garden
- ~ Home baking everyday
- ~ Shared activities with other residents
- ~ Snacks and fresh fruit always available
- ~ Our in-house hair salon
- ~ Being able to add personal touches to their rooms
- ~ There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
