

Balmoral View Care Home, Dunmurry

A home that feels *just right*

Balmoral View is an extensive, historic house, surrounded by beautiful, mature grounds in Dunmurry. We are close to local shops and public transport, making us easily accessible for visitors to stop by at any time.

Our dedicated team offers nursing care for people with more complex medical needs, and for those living with dementia. We also provide intermediate care as an alternative to a hospital stay, and respite care for those who would benefit from a change of scenery, or for carers to take a short break.

Our chef and catering team work to create meals that are nutritious and delicious, using fresh, seasonal ingredients. We also enjoy a variety of activities throughout the year, and celebrate a range of occasions, so residents are never without something to do.

“ We would recommend Balmoral View with no hesitation. ”

Our residents particularly like...

- Our in-house hair salon
- Exploring our lovely, expansive gardens
- Our busy, exiting activities programme
- Being able to personalise their own rooms
- Fresh, home baking
- Snacks and fresh fruit always available
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
