Camphill Care Home, Ballymena

A home that feels *just right*

Our care home is situated in a peaceful, residential area, surrounded by well-maintained gardens in the town of Ballymena. We are close to local shops and public transport, making us easily accessible for visitors to stop by anytime.

Our dedicated team offers nursing care for people with complex medical needs, and for those living with dementia. We also provide respite care for those who would like a change of scenery and good company, or for carers to take a short break, and intermediate care as an alternative to a hospital stay.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. We also run a busy activities programme in the home, and celebrate a variety of occasions throughout the year, so residents are never without something to do.

“ The management, nurses and carers are such a wonderful, friendly and professional team. ”

Our residents particularly like...

- Home baking each day
- Snacks and fresh fruit always available
- Shared activities with other residents
- Our in-house hair salon
- Relaxing in our beautiful garden
- Being able to add personal touches to their rooms
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
