Castlegreen Care Home, Edinburgh

A home that feels *just right*

Our home is a purpose-built home in Edinburgh. We are situated very close to a variety of local shops and with good transport links, we are easily accessible to visitors to pop in for a chat.

Our care team offers nursing care for those with complex medical needs whilst for those living with dementia, we offer both residential and nursing care.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. In addition, we celebrate a variety of occasions throughout the year, and offer a range of activities so residents are never without something to do.

“ This nursing home gives 100% care and I would highly recommend Castlegreen Care Home. ”

Our residents particularly like...

- Being able to add personal touches to their rooms.
- Being pampered in our hair salon.
- The smell and taste of home baking.
- Snacks and fresh fruits always available.
- Relaxing in the peaceful landscaped garden.
- Free Wi-Fi throughout the home.
- There is always someone to chat to.

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
