Gilmerton Care Home, Edinburgh

A home that feels *just right*

Our home has a welcoming and homely atmosphere, situated in Edinburgh. We are a short drive from the city centre and near public transport, making us easily accessible to visitors to pop in.

Our dedicated team offers 24-hour nursing care for people with more complex medical needs, and for those living with dementia. We also provide specialist care and support for those with a life limiting illness.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. In addition, we celebrate a variety of occasions throughout the year, and offer a range of activities so residents are never without something to do.

“ The staff are excellent and communication between staff and family is also very good. ”

Our residents particularly like...

- Being able to add personal touches to their rooms.
- Days out to Cameron Toll shopping centre.
- Snacks and fresh fruits always available.
- The smell and taste of home baking.
- Relaxing in our peaceful garden.
- Enjoying activities with other residents.
- There is always someone to chat to.

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
