Lammermuir House Care Home, Dunbar

A home that feels *just right*

Our home is situated in a peaceful area, with beautiful sea views in the historic town of Dunbar. We are close to local shops and public transport, making us easily accessible for friends and family to visit loved ones.

Our care team is trained in caring for those living with dementia. We also offer nursing care for people with complex medical needs, and for those with dementia.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. We also offer a range of activities for residents within the home, and celebrate a variety of occasions throughout the year.

“ Content that my wife is well cared for at a difficult time for myself. ”

Our residents particularly like...

- Admiring the sea views from the veranda.
- Fun trips into town with everyone.
- Getting lost in a book in the quiet library.
- Snacks and fresh fruits always available.
- The smell and taste of home baking.
- Adding personal touches to their rooms.
- There is always someone to chat to.

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
