North Merchiston Care Home, Edinburgh

A home that feels *just right*

Our home is a purpose-built home in the heart of Edinburgh. We are close to local shops and public transport, making us easily accessible for visitors to pop in for a visit.

Our care team offers residential care for those who need help with daily tasks, and nursing care for people who have complex medical needs and for those living with dementia.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. We also offer a range of activities for residents within the home, and celebrate a variety of occasions throughout the year.

“ I have peace of mind that my Mum is well looked after and is happy. ”

Our residents particularly like...

- Being able to add personal touches to their rooms.
- Snacks and fresh fruits always available.
- Fun trips into the city centre with everyone.
- Relaxing in the peaceful garden.
- The smell and taste of home baking.
- Being pampered in our hair salon.
- There is always someone to chat to.

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
