Stobhill Care Home, Glasgow

A home that feels *just right*

Our home is located a stones throw away from Glasgow. Being close to the M8 and M80, it is easy for visitors to pop in for a chat.

Our team offers nursing care for people who have complex medical needs and those living with dementia. We also provide respite care for to give loved ones a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. In addition, we celebrate a variety of occasions throughout the year, and offer a range of activities so residents are never without something to do.

“ You honestly have changed my mother's life for the better. ”

Our residents particularly like...

- Being pampered in our hair salon.
- Socialising in our beautiful, landscaped gardens.
- Fresh, home baking.
- Movies in our own cinema room.
- Snacks and fresh fruits always available.
- Sitting out on the patio when the weather is nice.
- There is always someone to chat to.

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
