HEALTH CARE

# Baillieston Care Home, Glasgow

## A home that feels *just right*

**Our home is located in the outskirts of Glasgow, away from the hustle and bustle of the city centre. Local shops are only a stone's throw away with plenty of public transport links providing visitors easy access.**

Our team offers nursing care for those who have more complex medical needs and for people with dementia. Respite care is also provided to give loved ones a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. In addition, we celebrate a variety of occasions throughout the year, and offer a range of activities so residents are never without something to do.

*“ The level of care and dedication I have seen during my time here has been exceptional. ”*

### Our residents particularly like...

- Our beautiful sensory garden to explore.
- Being pampered in our hair salon.
- The smell and taste of home baking.
- Refreshments always available.
- Enjoying activities with other residents.
- Being able to add personal touches to their rooms.
- There is always someone to chat to.

## Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
