HEALTH CARE

North Court Care Home, Bury St Edmunds

A home that feels *just right*

Our home is in a pleasant area, surrounded by beautiful gardens in the centre of the historic market town. We are close to local shops and public transport, so visitors find it easy to pop in at anytime.

Our care team provides nursing care for people who have complex medical needs, and for those living with dementia. We also provide respite care to give loved ones a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. We also enjoy a variety of social activities and celebrations throughout the year, so our residents are never without something to do.

“ An excellent place in which we can all be confident that those we love are in good hands. ”

Our residents particularly like...

- ~ Relaxing in our beautiful garden
- ~ Home baking every day
- ~ Snacks and fresh fruit always available
- ~ Our in-house hair salon
- ~ Being able to add personal touches to their rooms
- ~ Free Wi-Fi throughout the home
- ~ There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
