HEALTH CARE

# Norwood Green Care Home, Southall

## A home that feels *just right*

**Our home is situated in a quiet residential area, surrounded by beautiful landscaped gardens. We are close to local shops and public transport, making us easily accessible for visitors to stop by anytime.**

Our team offers residential care for those who need help with daily tasks, nursing care for people with more complex medical needs, and care for those living with dementia. We also provide respite care for those who would like a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. For extra variety, we also celebrate a range of occasions throughout the year, with special meals and events, so our residents always have something to look forward to.

*“ He loved it there, I hope when he needs to attend a care home again it can be with you. ”*

### Our residents particularly like...

- ~ Home baking each day
- ~ Snacks and fresh fruit always available
- ~ Movies in our own cinema room
- ~ Our peaceful landscaped gardens
- ~ Being able to add personal touches to their rooms
- ~ Our in-house hair salon
- ~ There is always someone to chat to

## Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
