# Osborne Court Care Home, Bristol

A home that feels *just right*

**Our care home is located in a pleasant, residential area, just a short drive from Bristol City Centre. We are in close proximity to train and bus services, making it easy for visitors to stop by anytime.**

Our care team provides residential care for those who need help with daily tasks, nursing care for people who have more complex medical needs, and care for those living with dementia. We also provide respite care for those who would like a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. We also enjoy a variety of social activities and celebrations throughout the year, so our residents are never without something to do.

*“The care she receives is second to none.”*

## Our residents particularly like...

- ~ Home baking each day
- ~ Snacks and fresh fruit always available
- ~ Our in-house hair salon
- ~ The choice of sociable or quiet communal spaces
- ~ Being able to add personal touches to their rooms
- ~ Relaxing and socialising in our garden
- ~ There is always someone to chat to

## Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
