# The Maltings Care Home, Fakenham

## A home that feels *just right*

**Our home is situated in a quiet, residential area in the historic market town of Fakenham. We are close to the town centre, and in easy access of transport links, so visitors find it easy to stop by anytime.**

Our care team offers residential care for people who simply need help with daily tasks, as well as respite care to give loved ones a change of scenery and good company, or for carers to take a short break.

Our in-house chef and catering team work to create meals that are both nutritious and delicious, using fresh seasonal ingredients. We also enjoy a variety of social activities and celebrations throughout the year, so our residents are never without something to do.

*“ He receives excellent care and support from everyone in the home. ”*

### Our residents particularly like...

- ~ Relaxing in our beautiful garden
- ~ Home baking every day
- ~ Snacks and fresh fruit always available
- ~ Being pampered in our hair-salon
- ~ Being able to add personal touches to their rooms
- ~ Free Wi-Fi throughout the home
- ~ There is always someone to chat to

## Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
