Catchpole Court Care Home, Sudbury

A home that feels *just right*

Our home is situated in a charming, rural area in the market town of Sudbury. We are close to local shops and public transport links, making us easily accessible for visitors to pop-in for a chat.

Our team offers nursing care for people with complex medical needs, and for those living with dementia. We also provide respite care to those who would like a change of scenery and good company, as well as specialist support for people with mental health conditions.

Our catering team work to create meals that are both nutritious and delicious, with fresh, seasonal ingredients. We also celebrate a variety of events throughout the year, and include special meals and activities so residents are never without something to do.

“ It is reassuring to know that she can spend whatever time she has left being looked after in a caring and loving way. ”

Our residents particularly like...

- Home baking each day
- Our exciting activities programme
- Relaxing in our lovely conservatory
- Being able to add personal touches to their rooms
- Our in-house hairdresser
- Free Wi-Fi throughout the home

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
