Midfield Lodge Care Home, Oakington

A home that feels *just right*

Our home is in a pleasant area, surrounded by beautiful countryside in the village of Oakington. We are a short drive from Cambridge city, and close to public transport, so visitors find it easy to stop by anytime.

Our team offers residential care for people who need help with daily tasks, nursing care for those who have more complex medical needs, and for those living with dementia. We also provide respite care to give loved ones a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. We also offer a range of activities within the home, and celebrate a variety of occasions throughout the year.

“ I can recommend Midfield Lodge as a great place to be. ”

Our residents particularly like...

- ~ Our in-house hair salon
- ~ Being able to add personal touches to their rooms
- ~ Home baking each day
- ~ Snacks and fresh fruit always available
- ~ Relaxing and exploring our large gardens
- ~ Our exciting activities programme
- ~ There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
